

## Keys Locked in Car?

It happens to everyone, and the Sedgwick Police Department would like to help. If a Sedgwick citizen accidentally locks their keys in the car, please call 911. If an officer is available, we will respond to help get you into your car. We will need you to sign a waiver, and we will verify ownership. If everything checks out, we can often get you back into your car in less than a minute! If you prefer, we can also get you in touch with a locksmith but our services are FREE! Just here to help.
