

# Resources

## Assisted Living

**RetireGuide:** a free web resource dedicated to providing the most up-to-date information about financial decisions that affect health care and retirement.

---

**Alzheimer Support** is a free service that assists Sedgwick families who have loved ones with Alzheimer's disease or dementia. Through our free search tool and database of Alzheimer's care facilities, families in need of care for their loved ones can locate licensed care homes and communities in the Sedgwick area that are best equipped to provide care for their loved ones.

---

**Compare the Market:** A guide to help seniors with the challenges of the digital age.
