Sales & Solicitation

[Sales and Solicitation Application](#)

On December 1, 2014, Sedgwick City Council approved Ordinance #834 amending the code regarding door-to-door sales, transient merchants and other peddlers within the Sedgwick city limits. The city takes great care in protecting the privacy and safety of our residents.

If you wish to continue solicitation in our community, please return the completed form with required photocopies and fees to City Hall.

Utility Vehicle Registration

[Utility Vehicle Registration Application](#)

There is an annual registration fee of \$25 due by January 31st to operate an UTV within the city limits. The fee may be paid online, in office, or in the drop box. Once the application is filed, Sedgwick Police Department will do an inspection of the golf cart/utility vehicle to verify that all tail lights, head lights, slow moving sign, and turn signals are in operable condition. Once approved, a tag will be issued.
