

Utility Billing

Bills for utility services (water, sewer, trash & recycling are all included on statement) are sent out on the 1st day of each month and are due and payable upon receipt. Bills become delinquent if not paid on or before the 20th of the month by 5:00 p.m. If the 20th falls on Saturday, Sunday or a legal holiday, the final payment date shall be extended through the next business day. Payments made after 5:00 p.m. on the due date are delinquent. Water charges are regulated by [Resolution 081709](#) and Sewer is regulated by [Resolution #120604C](#).

Delinquent charges are as follows: Water - \$5.00, Sewer - \$5.00

The City Office has a drive-by drop box on the North side of the drive for the convenience of residents for the paying of utility bills. If payment or arrangement for payment has not been made with the Utility Clerk, the water will be shut off on the 4th of the following month and a reconnect fee of \$25 will be added to the delinquent charges and must be paid in full to have the water restored.

The city also accepts payment by cash, money order or check (a \$30 fee will be charged on all returned checks). Please put your account number on your check.
